Empowering Possibilities International Charter School
February 2022

Message from Dr. Kosch – EPIC Principal

I am hoping that everyone in our community is having a great start to 2022! You may be seeing in the news that schools are struggling with staffing shortages, but we have managed to keep all of our wonderful programs – art, PE, world languages – operational due to the hard work and flexibility of the EPIC staff. I am proud to work with our wonderful team each day. We are looking forward to the spring and the passing of Omicron Variant. Thank you for your support of EPIC and keeping students home when they are feverish/demonstrating symptoms of COVID 19 – it is a critical factor in keeping EPIC open for in-person learning.

It is almost report card time, so please discuss academic progress/grades with your student. Please email your student's teacher(s) if you have any questions about grades. Email addresses can be found on the EPIC website at www.epicib.org

2022-2023 EPIC Re-Enrollment Form

22-23 Re-Enrollment forms are being sent home this week. They are due back to your student's teacher by Wednesday, February 16. It is important that the form is returned to secure your spot at EPIC for next school year.

2021-2022 GCC/EPIC School Culture Survey

We encourage all of our families to take our 2021-2022 annual survey to provide feedback on EPIC and GCC culture and programs. The survey will be open from February 1-15
