Message from Dr. Kosch – EPIC Principal

Dear EPIC Community,

Happy March! It is amazing how fast spring is coming! As you have likely seen in the news, the Omicron Variant is subsiding and we are seeing positive change reflected in student and staff attendance! Due to this improvement, we are able to continue with all of our wonderful EPIC programs and professional learning for teachers!

COVID 19 Guidance – Latest Update

If you are following the news, Governor Newsom has announced changes to school COVID 19 polices that take affect March 14.

Starting on March 14, face coverings will be optional, but strongly recommended for EPIC students. **All EPIC staff and visitors to**

campus will continue to need to wear face coverings while indoors

on campus until further notice. Also, the guidance has not changed regarding visitors to campus. Parents are not allowed beyond the EPIC lobby at any time without permission from the principal. Thank you for your cooperation with EPIC COVID 19 protocols. Updates to this policy will be sent out regularly through Parent Square.
