April 2022

Message from Dr. Kosch – EPIC Principal

Dear EPIC Community,
Welcome to April! It is hard to believe that we are marching into spring! It is nice to see our COVID 19 rates going down, attendance improving, and things getting somewhat back to normal. As we move into spring, we will be phasing in more opportunities for our families to be on the EPIC campus, which I am very excited about – we missed seeing you! Thank you for keeping your students home when sick and social distancing as much as possible so we can keep our COVID 19 numbers on the right track!

CAASPP Testing April 26-May 12

All students in grades 3-8 will be taking the California Assessment of Student Performance and Progress (CAASPP) in English/Language Arts and Mathematics. Students in grade 5 and 8 will be taking the CAST Science Assessment as well. It is very important that we get 100% of our students taking the tests, as they are important measures of academic growth. If you are planning any lengthy absence during this window, please email Dr. Kosch (jerry.kosch@gcccharters.org) More details will be sent out via Parent Square as we get closer to testing.

EPIC Multicultural Festival/Open House – Friday, April 29 – 2-6 p.m.

Come join us for our Multicultural Festival/Open House on Friday, April 29 from 2-6 p.m. The MC Festival will be held outside from 2-5 p.m. and will include classroom exhibits, entertainment, food and our talent show! Classrooms will be open for visits between 5-6 p.m.
