Message from Dr. Kosch – EPIC Principal

Dear EPIC Community,

We are off to a great start for the 2022-2023 school year! I am pleased to announce that our enrollment has grown and we're back at an enrollment around 370 students! The more students we have, the more money the school receives to create awesome programs for students. If you still have friends who would like to enroll, we have room in all grade levels!

I would like to welcome our new 3rd grade teacher Karl Machschefes to our EPIC team! Mr. Machschefes comes to EPIC with a wealth of experience. Please welcome him when you see him around campus!

Thank you to everyone who has provided feedback about school breakfast and lunch at EPIC. Gateway Community Charters has heard your feedback and is working diligently to improve our food service as soon as possible. Thank you for your patience as we work to improve in this area.
