

School Site Council Meeting Minutes 3/21/2017

-Meeting start- 3:32pm

-Welcome- Masha Vorobyova

-Good things- Corie Ross

-Social Contract- Facilitated by Natalya Ivanov

- Focus on open-minded and realistic expectations (scale 1-10)

-Approval of previous minutes- motioned by Masha Vorobyova, second by Erin Marston.

-School Updates:

- School Lunch- Issue with cost and drainage of sinks. Can get price quote if we would like to move forward with it. Invite someone to attend our next SSC for more information about kitchen.
- Survey – Items students do not like, do not have as often on lunch menu and items students like, add to menu more often. Middle school running out of lunch. Variety for after school? Next step will be Ms. Marston sitting down and talking to someone at district.
- 7th & 8th grade math – Not seeing a big increase in middle schoolers taking advantage of tutoring. Try to figure out with parents why students are not able to attend. Those who are attending are increasing their grades.
- WASC – Thursday, March 30th @ 8:30 am at EPIC. Meeting in room 6B with parents to showcase why choose EPIC.
- Playground Tire Material – 99% not tire tread (pokey parts). Still waiting for response from company about a few questions. Have choices of mulch or rubber mat across playground (costly). Cannot do bark due to deepness. Admin will come back with exact prices.

-LCAP Goals & Budget:

- Keep LCAP goals for 3 years and build on those. Summarize each year on whether we have met our goals or not. Will have budget at next meeting after approved.

-Future Meeting Agenda Items (4/25/17):

Playground
