Message from Dr. Kosch – EPIC Principal

Dear EPIC Community,

As we move into the holiday season, I am thankful for our wonderful staff, students and families who all work together to make EPIC such a special place and one of the best schools in the Sacramento area! We are proud of the great work that we do at EPIC in teaching English and creating bilingual students. I think we sometimes forget what a great talent and special skill being bilingual is! On behalf of our staff, I would like to wish everyone a very happy holiday season!

EPIC Chromebooks – Go Guardian

EPIC is pleased to announce that we now subscribe to Go Guardian, which allows our school to monitor Chromebooks better and control which websites/content students can access. EPIC administrators receive alerts when students try to access inappropriate content, including YouTube, and notify students and parents of inappropriate technology use if necessary. EPIC Chromebooks are intended to be used for educational purposes such as for conducting research, classwork, or using I-Ready. Students do have access to appropriate YouTube content, as it is a great way to improve English skills. Of course, parents are still encouraged to monitor all student technology use.
