Message from Dr. Kosch –EPIC Principal

Dear EPIC Community,

What a great 2023-2024 it has been for EPIC so far! EPIC is thriving thanks to our wonderful students, staff and families and enrollment is at an all time high! Please see below for information regarding Open Enrollment for students NEW to EPIC for 2024-2025, which includes new Transitional Kindergarten and Kindergarten students. It is very important that new students apply to EPIC before March 22, 2024.

We are approaching the end of the 2nd Trimester at EPIC. Report cards will go home on February 28, so time is running out to improve grades and citizenship for the report card. If you have questions or concerns about student grades, please contact your student's teacher(s).

Contact information can be found at www.epicib.org

EPIC Open Enrollment 2024-2025 School Year

February 1 – March 22, 2024

All NEW students to EPIC in grades TK-8 for the 2024-2025 school year must file an application to attend EPIC by March 22, 2024.

Applications can be found at our website www.epicib.org at the "Enroll Now" tab. We encourage using the Google application.

Filing an application by March 22, 2024 does not guarantee admission to EPIC. Enrollment preference is given to applicants according to specifics in our Charter. If there are more applicants for a grade level than available space, admission will be decided by a random public lottery to be held on April 17, 2024. All students admitted to EPIC for 2024-2025 school year will need to show proof of required California immunizations before they will be allowed to attend school.

For questions, call 916-286-1960 or email EPIC Registrar Tatiana Kondrashov at Tatiana.Kondrashov@gcccharters.org.

We are very proud of our middle school students who are all learning Adobe Photoshop as part of our IB Design Program. Great job Mr. Roberts' classes!
